Memorials.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

ANNUAL REPORT FOR 1932.

The Board of Management have the honour to submit to the Governors and Subscribers their report for the year 1932, together with the accounts audited by Messrs. Price, Waterhouse & Co.

EXTENSION OF THE HOSPITAL.

Summary of Proposals.

The scheme approved by the Board of Management provides for :—

(*a*) **New buildings for the Medical School.**

(*b*) **New premises for the Pathological Institute.**

(*c*) **Increased accommodation for Maternity Cases.**

(*d*) **New Home for Nurses.**

(*e*) **Pay Beds for patients of moderate means.**

Progress of the Scheme.

(*a*) **Buildings.**

Work has been continued throughout the year on the buildings for the new Medical School and the new Pathological Institute, and there is every reason to believe that both buildings will be completed and available for occupation in the first half of 1933. This work has been carried out in close conjunction with the needs which the expansion of the Hospital and the eventual erection of the new Home for the Nursing Staff will inevitably entail.

Careful and prolonged consideration has been given to the possibilities of economical arrangements being made for the heating of the Hospital and the whole of the new buildings, both those in course of erection and those in contemplation. A thorough survey of the existing boiler plant proved that without complete reorganisation the present plant would not be capable of providing the necessary heating services for the new Medical School, the new Pathological Institute and later the new Nurses' Home. In the circumstances it was decided to instal a central heating plant with oil-fired boilers, thus avoiding separate scattered installations, each employing separate labour. Plans were prepared to this end, the estimated cost of the work being £19,000, of which sum the Hospital is faced with an immediate expenditure of £12,550, the balance being borne out of the funds of the Pathological Institute and Medical School. The arrangements were duly submitted to and approved by King Edward's Hospital Fund for London, who generously made a grant of £1,000 to the Hospital as a contribution towards the cost of this part of the work. It is of interest to note that the Board is advised that the annual cost of heating the Hospital and the whole of the new buildings under these arrangements will be no greater than that previously necessary for heating the Hospital alone with the old boiler plant.

In accordance with the original proposals, provision has been made for an extension of the maternity accommodation in the Hospital. A unit of 14 maternity beds for married women resident in the Borough will be provided as from 1st April, 1933, under an agreement with the Paddington Borough Council, who have undertaken to pay to the Hospital an annual grant for the maintenance of these beds. In addition, there will be 15 beds for general maternity cases, thus making a total of 29 maternity beds, and forming a unit of reasonable size which should be adequate to meet, for the time being, the growing demands for increased institutional maternity accommodation.

The Board is glad to be in a position to report the steady progress made with the extension scheme, which has

already incurred an expenditure of some £250,000 during the last two years.

The remaining great outstanding need is the provision of adequate accommodation for the Nursing Staff. The increase in the number of beds in the Hospital has accentuated almost to breaking point the difficulties with regard to accommodation for the Nursing Staff. The present arrangements, whereby a large proportion of the nurses are housed in private hostels in the neighbourhood, are proving in practice extremely expensive and uneconomical. It is the earnest desire of the Board of Management that work may be commenced without delay on at least a section of the Nurses' Home. Plans are under consideration for the provision of accommodation for some 100 nurses, which it is hoped will not only effect a saving on the outside rentals now being paid, but will also afford greater opportunities for the corporate life of the Nursing Staff.

(*b*) **Extension Appeal Fund.**

The following summary shows the donations and promises for the rebuilding of the Nurses' Home, the provision of Pay-Beds and the general extension of the Hospital, received up to 31st December, 1932 :—

	£	s.	d.
Amount received in cash to 31st December, 1932	36,587	0	0
Payments still to be made, mainly under Deeds of Covenant	8,478	0	0
Total	£45,065	0	0

Amongst the gifts has been a magnificent donation of £6,000 from the Executors under the will of the late Mr. Alfred de Rothschild, who, during his lifetime, was such a devoted friend to this Hospital. The sum of £750 was also received as the proceeds of the "Golf Ball" held at the Grosvenor House Hotel on the 15th December. The "Golf

Ball" appears now to be firmly established as an annual event, and under the able chairmanship of Mr. G. D. Hannay, assisted by a Committee of prominent golfers, has proved a remarkable success. The Board of Management heartily congratulate the Chairman, the Committee and Mrs. Elphick and Miss Diana Fishwick, who acted as Honorary Secretaries, and Mr. Guy Harben as Honorary Treasurer, on the result of their efforts. Thanks are also due to Mr. J. H. Taylor for so kindly conducting the auction, and also to those golf professionals and firms throughout the country who so generously send gifts each year for prizes. The auction realised a sum of £240. Owing to the excellent work of certain members of the Nursing Staff a scheme for the distribution of prizes during the evening produced a sum of over £160. Generous tribute must also be paid to the Committee of the Ladies' Association who this year contributed a further sum of £500 ear-marked for the furnishing of the new Nurses' Home, thus bringing their total gifts to the Fund for this purpose up to £4,340.

The Appeal Committee desire also gratefully to acknowledge the gift of £100 from the Antrobus Trust.

A delightful Motor Treasure Hunt, organised by Mrs. Currie and Miss Colquhoun on the evening of the 28th June, resulted in a sum of £75 being received for the Fund for the building of the Nurses' Home. A Garden Fête was held, by kind permission of Sir Leicester Harmsworth, Bart., at Moray Lodge, Campden Hill, on the 29th and 30th June, when the arrangements were admirably carried out by Mrs. Elphick and Mrs. Oliver Marks.

The activities of the Appeal Committee have of necessity been seriously hampered, not only by the prevailing economic depression, but also by the urgent needs for funds to maintain the general income of the Hospital, which was faced with a heavy deficit. Bearing these facts in mind, it is satisfactory to note the progress which the Appeal Fund has made during the year.

STATISTICS AND WORK RELATING TO PATIENTS.

(*a*) **In-Patients' Department.**	**1931.**	**1932.**
Total number of beds available on the 31st December	356	355
Average number of beds occupied ...	313	310
Total number of in-patients	5,550	5,341
Average length of stay of each in-patient	20·6 days	21·2 days

(*b*) **Out-Patients' Department.**		
Total number of new out-patients ...	45,827	41,544
Total number of attendances	140,497	138,463

An endeavour has been made throughout the year to restrict, as far as possible, the attendance of patients in the Out-patient Department to those cases in need of specialist treatment and advice. This has inevitably led to some reduction in the total number of new out-patients seen. Provision has, however, been made to ensure that patients who desire a second opinion and who are unable to pay consultants' fees, may have ready access to the Out-patient Department, even though they may not be in possession of a doctor's letter. The Board's view in this matter is that there ought not to be any restriction imposed which might preclude any patient, who is unable to pay the necessary fees for a private consultation, from being able to come to the Hospital and secure an examination by a Senior Medical Officer. The reorganisation of the administrative arrangements for registration, &c., in the Out-patient Department, which was put into operation at the beginning of this year, has worked satisfactorily and added considerably to the comfort of the patients and the efficient working of the Department.

Dr. Hope Gosse and the Secretary gave evidence on behalf of the Hospital before the Committee appointed by King Edward's Hospital Fund for London to enquire into out-patient methods ; a Sub-Committee of that Committee visited the Hospital and were much interested in the revised arrangements for the reception and registration of out-patients.

Arrangements have been made, under a scheme approved by the London County Council, for the establishment, as from the 1st April, 1933, of an all-day Venereal Diseases Clinic, in place of the part-time evening clinics previously held. The question of the establishment of such a clinic was one of considerable importance, not only from the point of view of adequate facilities being provided for the neighbourhood, but also from that of medical education. The Board is indebted to Dr. Wilson, the Dean of the Medical School, for bringing these negotiations to a successful conclusion. In order to provide suitable accommodation, extensive internal structural alterations, involving an expenditure of £3,750, were necessary, plans for which were prepared by Sir Edwin Cooper, A.R.A., F.R.I.B.A. Under the new scheme, the London County Council has undertaken to increase their annual grant for the maintenance of the Venereal Diseases Department from £2,000 to £3,100.

The prevailing economic conditions have adversely affected the amount of contributions received from patients, and there is a fall of nearly £1,500, as compared with the previous year. The Board of Management has at all times been most anxious to avoid financial hardship being imposed on any patient by reason of his stay in Hospital, and admission is entirely free to persons who after enquiry are found to be too poor to make any contribution.

Valuable help has been given by the Hospital Saving Association and the Hospital Saturday Fund. Anyone whose income is within certain limits can make small weekly payments to these Associations and in return receive free Hospital treatment when necessary. In that event the Association makes a grant to the Hospital which in many cases is much greater than the patients themselves would have been in a position to contribute. The growth of the Hospital Saving Association in London has been remarkable, and their grants to the Hospital have shown a steady and continuous increase from £2,267 in 1928, to £6,325 in 1932. It is clear that these grants are becoming an increasingly

important factor as a normal and dependable source of income to the Hospital.

FINANCE.

Income.

The deficit on the Income and Expenditure Account is £7,346 which is the largest deficit the Hospital has experienced since 1926. The seriousness of these figures is aggravated because this is the third year in succession in which there has been insufficient income to meet the normal expenditure of the Hospital. The total of the deficit for these three years now amounts to £13,185. The outstanding feature has been the continuous and steady decline in the sums received from legacies and the total of £5,526 under this heading for the current year compares with £9,135 in 1931, £10,630 in 1930 and £16,612 in 1929. Donations show some increase, but Annual Subscriptions have fallen from £4,980 in 1931 to £4,748 after having reached a total of £5,022 in 1930. The financial position is therefore one for most serious anxiety if not alarm, for it is clearly impossible for the Hospital to maintain even its existing services unless additional sources of revenue can be secured.

It will not be out of place again to remind subscribers that without any extra expense whatever to themselves they can increase substantially the amount of their subscriptions by completing a form of agreement to contribute for seven years or during life, whichever shall be the shorter period. Full particulars will gladly be forwarded upon application to the Secretary of the Hospital.

It is gratifying to note that the Endowment Fund of the Hospital still continues to grow. Annual Subscriptions from the Old Patients' Association have reached a total of £2,000, thus completing the endowment in addition to the two cots previously endowed by the Association. Dr. W. T. Hunt generously undertook the life endowment of a bed in Thistlethwayte Ward in memory of his late wife who was for so many years the beloved Sister in Charge of the Ward,

The Public Trustee has forwarded a sum of £700 on account of the endowment of a bed under the terms of the will of the late Mr. Reuben Smith. The Directors of the United Dairies, Ltd., have also been so good as to undertake the annual endowment of a bed, thus adding to the growing list of firms in the neighbourhood served by the Hospital who give such valuable help in this manner to the work of the Institution.

The Board of Management desire to acknowledge the following contributions to the general funds of the Hospital which merit special and most grateful acknowledgment :—

Most generous help has been given throughout the year by the proprietors of cinemas in London out of the proceeds of their Sunday performances.

The Hospital has been fortunate in arranging a series of events which have been held annually for a considerable number of years past, and have proved invariably successful owing to the devoted efforts of the organisers and friends who have so kindly helped. Her Royal Highness Princess Arthur of Connaught graciously attended an Ice Carnival held at the Queen's Ice Skating Rink on the 17th March. This Rink was generously placed free of charge at the disposal of the Hospital by Mr. A. O. Edwards, and the efforts of the Ladies' Committee, with Lady Handover (the Mayoress of Paddington), as Chairman, resulted in a sum of over £190 being received. On the 16th July, the Directors of Northolt Park held a Race Meeting in aid of the funds of the Hospital, and with the valuable help of Miss Jayne and Mr. H. Bradley a sum of £206 was obtained. Members of the Ladies' Association, Students of the Medical School, the Nursing Staff and the Massage and Electro-Therapeutic Departments very kindly assisted on the occasion of the Flag Day held on Wednesday, 11th May. In spite of the rain from early morning until mid-day, the undertaking proved successful and a sum of £806 was raised after the payment of all expenses.

The Hospital is once more indebted to the Directors of the Wembley Stadium, and especially to Mr. A. J. Elvin, for the Charity Race Meeting held at the Wembley Stadium on the 24th September, out of the proceeds of which St. Mary's received some £400. A most successful Ball, organised by Mrs. Frank Hill, was held at the Wharncliffe Rooms, Hotel Great Central, when a sum of £154 was secured.

No list of benefactors of the Hospital would be complete without the name of Mr. J. D. Marsden, who for a great number of years past has been so good as to supply at a purely nominal rate most of the bacon and ham consumed in the Hospital.

Through the continued kindness of Mr. Walter Payne, O.B.E., the Annual Matinée was held at the Metropolitan Theatre, Edgware Road, on the 13th October. An excellent programme, headed by Miss Gracie Fields, was arranged, and through the efforts of an enthusiastic Ladies' Committee, with Mrs. E. A. Taylor as Chairman, the General Funds of the Hospital benefited to the extent of over £218.

Generous grants have been made by the Central Funds, and their assistance is gratefully recorded :—

King Edward's Hospital Fund for London :—

Ordinary Grant	6,382	
Grant for reduction of debt ...	1,000	
		7,382
Hospital Sunday Fund		1,550
Alexandra Day Committee		500

There are two organisations which are doing splendid work, quietly but efficiently, for the Hospital, and the Board of Management would like to take this opportunity to pay special tribute to the activities of the British Red Cross Transfusion Service and of the Winter Distress League. Donors from the Blood Transfusion Service have repeatedly rendered great help in serious cases of illness, whilst the Winter Distress League has enabled urgent work—which would not have been possible without their assistance—to be done practically at the cost of the materials involved.

Expenditure.

The following table shows the expenditure, summarised under their main headings, for the year 1932, as compared with the previous year :—

	1931.	1932.
	£	£
Provisions	9,200	9,079
Surgery and Dispensary	11,837	11,544
Domestic	11,649	11,747
Salaries and Wages	29,509	30,329
Administration and Miscellaneous ...	5,025	4,717
Establishment and Finance	6,874	6,338
	£74,094	£73,754

The cost per In-Patient per week was £3 10s. 0d. and the cost per Out-Patient per attendance was 2s. 5d., as compared with £3 10s. 6d. and 2s. 4d., respectively, in 1931.

It is gratifying to record that once again the position of St. Mary's in the matter of economy as shown by the Statistical Returns of King Edward's Hospital Fund for London continues to be very satisfactory. The last published Returns of the Fund show the average statistical cost per occupied bed in the Teaching Hospitals of London to be £203 8s. 0d. and that of St. Mary's to be £164 3s. 0d. Constant and unremitting vigilance has been exercised throughout the year by both the Board of Management and the House and Finance Committee to ensure that the expenditure of the Hospital may be reduced to the minimum compatible with efficiency.

NURSING STAFF.

The Board of Management desire to congratulate Miss Eva Earney, who won the Gold Medal awarded to the Nursing Staff in 1930, upon her success in gaining a Cowdray Scholarship open for competition to nurses in England and Scotland. Only two scholarships were awarded and the holders, owing to the generosity of the late Lady Cowdray, are enabled to take the Sister Tutor's Course at King's College for Women. This is the first occasion upon which a member of the Nursing Staff of St. Mary's Hospital has been successful in obtaining one of these scholarships.

The recruitment of the Nursing Staff has proceeded quite satisfactorily during the year and there has been no dearth of suitable candidates. The revised regulations of the syllabus of the General Nursing Council has made necessary some reorganisation of the theoretical side of the course of training, and Probationer Nurses now receive additional lectures from members of the Hon. Medical Staff with regard to the nursing of all the various types of cases with which they are likely to come into contact.

It is a matter of deep regret that scattered accommodation and lack of adequate recreation facilities hinders the full development of the corporate life of the Nursing Staff, but it is hoped that the erection of a section of the new Nurses' Home will remove at least some of the existing difficulties. Notwithstanding these difficulties clear evidence is given of the sound spirit of co-operation and enterprise existing amongst the Nursing Staff by the readiness with which volunteers have been obtained to assist in the various functions which have taken place during the year. Teams entered for the Inter-Hospital competitions and Nurses from the Hospital assisted in the Pageant showing the history of nursing organised by the College of Nursing in June, 1932, the Medical Pageant during the Medical Congress, and also in the numerous events organised on behalf of the Hospital, notably in connection with Flag Day and the Golf Ball.

LEWIS CARROLL MEMORIAL FUND.

The following letter signed by the Prime Minister, the Rt. Hon. Stanley Baldwin, Sir James Barrie, Mrs. Hargreaves (the original "Alice"), A. P. Herbert, E. V. Lucas, Sir Frederick MacMillan, Mr. Walter de la Mare, A. A. Milne, the Bishop of Oxford, Mr. Wilson Steer and Mr. J. C. Squire appeared in the public Press in March :—

> "We feel that all those who treasure the writings of Lewis Carroll would wish that the centenary of his birth should see the establishment of some permanent memorial of his genius.
>
> "The story of 'Alice's' adventure is a tale whose magic has opened the doors of wonderland to countless children ; whilst Lewis Carroll's subtle humour has an irresistible appeal to those who have left childhood far behind them. An author who possessed so complete an understanding of the heart of a child and the mind of a man deserves unquestionably some lasting tribute to his greatness.

"In conformity with the wishes of his near relatives, it has been decided that the memorial should take the form of the endowment of a 'Lewis Carroll' Ward for Children at St. Mary's Hospital, London, W. 2. We feel that there could be no better way of perpetuating the memory of this friend of children than by the association of his name with the relief of their sufferings.

"Her Royal Highness the Duchess of York, the President of the Hospital, has graciously expressed her fullest sympathy with this project.

"A minimum sum of £10,000 is required for the endowment, special equipment and appropriate decoration of an ideal Children's Ward, and we commend the proposal to the most generous consideration of all lovers of 'Alice' throughout the world. Mr. Anthony de Rothschild has kindly consented to act as Honorary Treasurer, and donations marked 'Lewis Carroll Memorial Fund' may now be sent to him at St. Mary's Hospital, London, W. 2."

Active steps were taken by the Hospital to organise this Appeal. The Lewis Carroll Memorial Fund Committee was formed with Mr. Guy Harben as Chairman, whilst Lady Mount Temple very kindly accepted the chairmanship of the Ladies' Committee, Miss Clare Elwes being appointed Secretary. Arrangements were made by the Ladies' Committee for a Matinée to be held at the St. James' Theatre on Tuesday, 12th July, when Her Royal Highness the Duchess of York graciously attended. As a result of this Matinée, £1,083 was handed to the Lewis Carroll Memorial Fund. The grateful thanks of the Committee are due to Mr. Gilbert Miller for kindly placing the theatre at their disposal free of charge, and also to the distinguished list of artistes who generously gave their services. Miss Violet Loraine auctioned a blank canvas, generously presented by Mr. Simon Elwes, which resulted in a gift of £220 10s. being received. The Ladies' Committee also organised a "Varsity Ball," which was held at the Dorchester Hotel on Thursday 7th July, the proceeds of which amounted to over £152.

The General Committee have endeavoured to give as wide publicity as possible to the objects of the Memorial Fund. An appeal made to the boys' public schools by General Sir Hubert Gough and the Earl of Munster produced a sum of £132. In addition, later in the year a Wonderland League, with Mrs. Hargreaves (the original "Alice") as Patron and Mrs. Cecil Harmsworth, Chief Cheshire Cat, was established whereby children upon receipt of a minimum subscription of 1s. were able to secure membership. Over 8,000 members have already been enrolled. A special centenary edition of "Alice in Wonderland," with a view to assisting the Fund, was produced by Messrs. MacMillan & Co., to which Mr. Hugh Walpole kindly contributed a preface. Useful publicity was also given to the appeal by Messrs. Bumpus during the Lewis Carroll Centenary Exhibition held at their premises in June. The Lewis Carroll Memorial Fund Committee are most grateful for the gift of £300 received from the British Broadcasting Corporation, Children's Hospital Wireless Fund, and to the *Daily Mirror* Children's League for their donation of £500.

Certain centres have been organised in the provinces, and the Committee are indebted to Mrs. Shawyer, who has done such excellent work in Oxford for the Fund.

Throughout all the activities of the Committee generous help has been given by Professor B. J. Collingwood, who is a nephew of Lewis Carroll.

Many activities of the Appeal, notably a canvass of all the girls' schools throughout the country, are still being organised, but approximately the position of the Fund at the end of December was that there was a sum of £3,000 in hand after payment of all outstanding expenses. It is the hope of the Lewis Carroll Memorial Fund Committee to establish and endow a Children's Ward specially dedicated to the memory of Lewis Carroll, in which lovers of "Alice" throughout the world will have for all time a special interest. A suggested design for the Ward is enclosed in this Report. The Board of Management feel that it is an especial privilege that the

Memorial to one beloved throughout the world as a friend of children should have taken a form so closely associated with the work of the Hospital.

MEDICAL SCHOOL.

The entry of full-course students during the Academic Year 1931–32 again showed an increase over the previous year, being 59, as compared with 55 in the year 1930–31.

During the year 1931–32 the number of full-course students working in the Medical School and Hospital was 254 and 77 others attended for part courses during the same period.

During 1932, 30 students obtained the Diplomas of M.R.C.S., L.R.C.P., at the Conjoint Board. At the London University eight students obtained the Degree of M.D. (one gaining the University Medal), one obtained the Degree of M.S., and five others obtained the Degrees of M.B., B.S. (one with Honours).

At Oxford one obtained the Degree of D.M., and one that of B.M., B.Ch.

Dr. W. Hurst Brown was elected to the Radcliffe Travelling Fellowship of that University, and Mr. J. W. Litchfield to the Radcliffe Scholarship in Pharmacology.

At Cambridge three obtained the Degrees of M.B., B.Ch.

The hope expressed a year ago that the rebuilding of the Medical School would be completed by the end of 1932 has not been fulfilled, and work is still being carried on in the old buildings. It is hoped, however, that it may be possible to make the move in time for the Summer Session.

In Athletics the members of the School have been well to the front during the past year. The Rugby Football Team again reached the Final for the Inter-Hospital Cup.

The Sailing Club are joint holders with St. Bartholomew's Hospital of the Inter-Hospital Sailing Cup, the Rifle Club gained the Challenge Cup of the United Hospitals Rifle Club, and members of the Athletic Club brought back from the Inter-Hospital Sports Meeting the Challenge Cups for the 440 yards Hurdles, and for the Mile, as well as the Princess Marie Louise Challenge Cup for the best individual performance.

INOCULATION DEPARTMENT.

The Out-Patient Section of this Department continues to grow and the attendances during 1932 were 12,654 as compared with 11,903 in 1931 and 9,880 in 1930—an increase of about 28 per cent. in two years. When the Department was first instituted, in 1906, chronic tuberculosis, furunculosis and acne represented by far the largest proportion of the diseases treated, but vaccine therapy has extended far beyond these limits and now embraces practically all bacterial disease. The clinics are attended largely by patients suffering from rheumatism, arthritis, recurrent colds, bronchitis, asthma, hay fever and intestinal toxæmia.

It is hoped that in the early part of 1933 the new accommodation for Out-Patients will be available and thus end the difficulties under which the Department has had to work for a number of years. The new laboratories are also approaching completion and at an early date the Inoculation Department will vacate the accommodation which it has occupied in the Clarence Wing of the Hospital since 1907. In this connection, it is of interest to note that the laboratories where, in the past, important work has been carried out with regard to puerperal sepsis will now become maternity wards.

Owing to lack of funds it has not been possible to complete the interior of the whole of the new Pathological Institute. The main Lecture Theatre and a portion of two of the upper floors will, for the present, remain uncompleted. The Lecture Theatre is the largest in the new buildings

and is the only one suitable for the meeting of a large society such as the Biochemical and Pathological Societies. A sum of £2,250 is required for the work, and it is hoped that some generous benefactor will come forward so that the new Lecture Theatre may be available for use in the near future.

Active research work on the many problems connected with bacteriology and vaccine therapy continues to be carried out by Sir Almroth Wright and his colleagues as is evidenced by the various contributions made to the scientific literature on the subject. The new Pathological Institute will remove the grave difficulty of inadequate laboratory accommodation which has so much hampered the work of the Department in the past.

HONORARY MEDICAL AND SURGICAL STAFF.

The resignation of Sir Ernest Graham-Little, M.P., M.D., F.R.C.P., the Physician-in-charge of the Department for Diseases of the Skin, on reaching the age limit prescribed for members of the Honorary Medical and Surgical Staff, was received with much regret. The Board of Management passed a special resolution, placing on record their high appreciation of the long and valuable services rendered by Sir Ernest Graham-Little to the Hospital and the Medical School, and elected him to the office of Consulting Physician-in-charge of the Department for Diseases of the Skin. It is a matter of congratulation that it has been possible to retain his services, for Sir Ernest Graham-Little has kindly consented to carry out the duties attaching to the Department for Diseases of the Skin for a further period of 12 months.

Steps were taken during the year to fill the office of Orthopædic Surgeon. Mr. V. H. Ellis, M.A., B.Ch., F.R.C.S., was appointed to the office for a first period of five years.

Later in the year, Dr. Justina Wilson, F.R.C.P. (Edin.), D.M.R.E., was appointed to the office of

Medical Officer-in-charge of the Electro-Therapeutic Department. It is of interest to note that Dr. Justina Wilson is the first woman in the history of the Hospital to be appointed a member of the Honorary Medical Staff.

Owing to the operation of the age limit, Dr. J. H. Chaldecott, L.R.C.P., F.R.F.P.S., retired from the office of Anæsthetist, and was appointed a Consulting Anæsthetist to the Hospital. Dr. Chaldecott had given long and faithful service to the Hospital for a great number of years, and his retirement is much regretted. In order to fill the vacancy caused by his retirement, Dr. L. H. Morris, M.R.C.S., L.R.C.P., was appointed one of the Honorary Anæsthetists to the Hospital for a first period of five years as from 5th January, 1933.

VICE-PRESIDENTS.

The Hospital has suffered a grevious loss through the death during the year of Mr. Arthur Prideaux, Mr. Joseph Stower, and Mr. F. M. Dutton, all of whom held the office of Vice-President.

Mr. Prideaux became a member of the Board of Management in 1908, and from 1917 to 1928 was its chairman. Upon his resignation from that office he was elected a Vice-President of the Hospital and maintained his close and active interest in the work of the Institution practically up to the time of his death. Kindly and lovable in disposition, his loss will be deeply felt by all his colleagues on the Board of Management. During his tenure of office as Chairman in the War and the difficult times which followed, his wise counsel and sound advice were of great value, and preparations were made for the purchase of the site adjoining the Hospital for the great extension of the Institution which is now in progress. The Board of Management record with gratitude their appreciation of the legacy of about £13,000 which will eventually be received under the terms of his will for the Endowment Fund of the Hospital.

A little earlier in the year occurred the death of Mr. Joseph Stower, who, without fee of any kind, generously carried through the valuations and negotiations for the purchase of the island site and, who, upon his death, bequeathed the sum of £2,000 in aid of the General Funds of the Hospital.

Mr. F. M. Dutton was for a number of years a Vice-President and, under the terms of his will, the Hospital received a legacy of £250 free of duty.

It is with great pleasure that the Board of Management report that Sir Percy Shepherd and Mr. W. R. Moon have been unanimously elected to the office of Vice-President. The Hospital is deeply indebted to Sir Percy Shepherd and Mr. Moon for the generous gifts which have been received from time to time from that portion of the Estate of the late Mr. William Shepherd which was bequeathed for distribution to such London Hospitals as the Trustees may, in their absolute discretion, select.

THE BOARD OF MANAGEMENT.

The Annual Election of the Board of Management took place as usual at the Quarterly Board of Governors in June. The following Ordinary Members, retiring by rotation and being eligible, were re-elected :—

Mr. G. P. Harben, O.B.E.

Mrs. Karslake.

The Hon. Mrs. Rochfort Maguire.

Mr. H. A. Pitman.

Sir John Ramsay, K.C.I.E.

The Right Hon. the Earl of Munster, who had been appointed to fill a casual vacancy during the year had also to retire as required by the Laws of the Hospital, and being eligible, he was re-elected.

The following members of the Honorary Medical and Surgical Staff were elected as Medical members :—

Dr. Harrison Orton.
Dr. C. M. Wilson, M.C.
Mr. C. W. G. Bryan, M.C.
Dr. Freeman.
Dr. A. Hope Gosse.
Mr. R. M. Handfield-Jones, M.C.
Professor F. Langmead.
Sir William H. Willcox, K.C.I.E., C.B., C.M.G.

At the first meeting of the Board, after the Annual Election, Colonel H. E. Verey, D.S.O., was reappointed Chairman and Mr. G. P. Harben, O.B.E., Deputy-Chairman. At the first meeting of the House and Finance Committee, Mr. R. M. Greenwood, C.B.E., was reappointed Chairman of the Committee. To fill the vacancy caused by the death of Mr. A. R. Prideaux, Mr. Guy Harben was appointed one of the Treasurers of the Hospital.

ALMONER'S DEPARTMENT.

During 1932 the work of the department has developed along increasingly interesting and useful lines, although the actual number of patients assisted is not greatly in excess of previous years.

In-Patients.

The number of in-patients specially assisted during the year was 666, and of these 405 were sent to convalescent and other institutions. An analysis of these cases is given below :—

Parkwood Convalescent Home, Swanley, Kent ...	100
Metropolitan Convalescent Institutions	133
Other Homes	91
Institutions providing long convalescence with treatment	66
Homes for Advanced Cases	15

Of the 91 patients sent to various Convalescent Homes, 38 were men suffering from severe gastric trouble, who were sent to the Merchant Taylors' Home at Bognor, where a special diet suited to their condition was given. The majority of these cases benefited so much from this treatment that they were able to return to their employment almost immediately on their discharge from the Home.

Two hundred and thirty-six surgical instruments have been provided at a total cost of £444. Of this sum £133 was spent on providing artificial legs for seven patients. In only one instance was amputation necessitated by disease, the other amputations being due to the heavy toll taken by street accidents in the Metropolitan area. The cost of a good artificial limb is considerable, and grants obtained from Insurance Societies and Contributory Schemes are small, with the result that the task of raising large sums for the provision of suitable artificial limbs is not easy. The results, however, more than justify the labour involved, for the provision of a suitable artificial limb makes all the difference between a person becoming a dependent cripple or remaining a self-supporting member of the community.

There is yet another and more complicated problem presented by some of the occupants of the accident beds in the Hospital. Persons suffering from severe mental and nervous strain show a tendency to become more subject to street and other accidents, and the task of fitting them for life again is not completed when the necessary surgical treatment has been afforded. The shattered nerves or mental breakdown still remain. It is at this stage that the Almoner can be of real service in carrying out any recommendation made by the Physician for Mental Diseases. Quite often a long rest at a specially selected Convalescent Home will rebuild a life which would otherwise go to pieces altogether.

Out-Patients.

The records show that 1,429 cases were dealt with during the year. There has been a slight increase in the number of patients sent to Convalescent Homes, the average

length of stay for children being between six and twelve weeks, and for adults three weeks.

Seven hundred and fifty-five instruments have been provided for out-patients at a total cost of £925. Valuable assistance in connection with children's convalescence has been given by the Invalid Children's Aid Association, and generous grants have been made by various Charitable Societies.

In view of the increased accommodation which is to be provided for maternity cases at the Hospital, it may be useful to publish some statistics for 1932, and also to indicate some of the ways in which an Almoner may be of use in the organisation of the Maternity Department. Five hundred and forty-two maternity cases were dealt with in 1932. The Almoner, in interviewing and obtaining a thumb-nail social sketch from each new ante-natal patient, in making her aware of some of the excellent provisions which exist for the benefit of expectant mothers through Maternity and Child Welfare schemes, has ample scope to collect information as to home conditions, and, if these are unfavourable, to seek the advice and help of the medical staff with regard to plans for their amelioration. Adverse conditions may be constituted by dirt, disease or overcrowding. There may be also acute anxieties in personal relationships. These are particularly likely to occur when older relatives are living in the same house, producing daily difficult domestic situations. Very often the expectant mother needs only to discuss fully these matters, for difficulties shared frequently are difficulties halved. In other cases extensive plans have sometimes been made, as for example a whole family of young children may have to be accommodated in a Babies' Hostel or Homes or boarded out during such time as the mother is in Hospital.

The delicate wife of an unemployed man may need not only free milk but also extra nourishment prior to confinement. This also the Almoner must arrange. The problems of convalescence and rest, if ordered by the physician, have also to be solved and need much careful planning if the physician's instructions are to be carried out in an adequate manner.

THE LADIES' ASSOCIATION.

During the year £409 10s. 7d. has been expended on 152 ward blankets, 450 linen sheets, 250 twill sheets, 800 linen pillow slips, 644 towels, 100 white counterpanes and 800 stone cloths for use in the Hospital, in addition to cash grants for £93 7s. 5d. for flannel and £16 13s. 8d. for wool for the making of garments for the patients.

"Pound Day" was held on 17th March, when Mrs. Oates and Mrs. Cope very kindly were in charge of the arrangements. Over £316 was received in cash, whilst the total of the groceries, &c., received amounted to nearly four tons, large and generous contributions being received from the children in schools in the neighbourhood of the Hospital.

Members of the Association also gave assistance on the occasion of the Hospital Flag Day, and, in addition, took charge of the depôt on Alexandra Day.

The Executive Committee of the Ladies' Association appeal very earnestly to all ladies interested in the Hospital to support them in their work by joining the Association, enlisting new members, making garments or lending their houses for work parties. The object of the Association is to provide the garments, linen and blankets required for the use of patients in the Hospital.

The qualification for the office of Vice-President is that they shall undertake to subscribe not less than 10s. 6d. yearly, in addition to enrolling at least four members, collecting their subscriptions and supplying them with work and wool. Members undertake to subscribe to the Association and knit or cut out garments to be obtained from their branch president or vice-president.

Mrs. Maynard-Smith and Mrs. Cope, the Honorary Work Secretaries, are at the Hospital every Wednesday morning from 11 to 12 during the months of October to March. Mrs. Askew, Honorary Secretary, 54, Ladbroke Grove, London, W., will gladly give any information respecting the work of the Association.

THE CHAPLAIN'S REPORT.

During the year the Chapel services, both on Sundays and week-days, have been well attended and have been much appreciated by the Staff and those patients who were able to be present. The offerings contributed have enabled the Chapel expenses to be paid, and have also enabled contributions to be made to the Hospital and to the Hospital at Quetta.

The Rev. C. L. Cresswell, M.A., the Honorary Chaplain, has helped from time to time, and has also given his services during the absence on holiday of the Assistant Chaplain, and at all times throughout the year the Right Rev. Bishop Eden has given his very acceptable assistance. Mr. Slade, of the London City Mission, has kindly and regularly visited the Wards and assisted with the Ward Services on Sunday evenings.

The Board is most grateful for the help given by the two choirs, under the leadership of Mr. Walker and Mr. George, who visit the Wards on alternate Sundays.

The Lady Visitors are always a great help to the patients, and gratitude is due to them for their splendid work. Visiting the sick requires great tact and kindness and is not always easy, but the kindly co-operation of the Matron, Sisters and Nurses has enabled this helpful work to proceed efficiently.

THANKS TO THE HONORARY MEDICAL AND SURGICAL STAFF.

The Board conclude their Report with an expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients and for their valuable services to the Hospital throughout the year.

Signed on behalf of the Board of Management,

HENRY E. VEREY,
Chairman.

23rd February, 1933.

TWENTY-EIGHTH ANNUAL REPORT.

The Dresden Trustees have the honour to present their report for the twelve months ending 30th September, 1932, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are :—

1.	Patients sent to Convalescent Homes (including 102 sent to Parkwood)	328
2.	,, given pecuniary assistance on discharge	3
3.	,, assisted with clothing on discharge ...	—
4.	,, provided with Surgical and Optical appliances on discharge	140
5.	,, assisted with fares to and from Convalescent Homes	281
6.	,, assisted with fares to their own homes on discharge from the Hospital ...	126

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their means and deserts has been made in every case.

During the year the Trustees of the Hospital Convalescent Home, Parkwood, Swanley, Kent, have placed 13 beds at the disposal of the Hospital. The Trustees of the Dresden Fund, as a result, have been enabled to send 102 Patients to this Home for a period of 19 days or more, at no expense to the Fund, except the fares of the Patients. The Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 13 beds has enabled the Trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees,

15th November, 1932. H. A. PITMAN.
